SPECIAL EDITION - March 2017

Dear Members and Friends,

Welcome to this Special Edition of "The Torch"!

While recently in Rio de Janeiro, Brazil, Leonardo da Vinci, painting through an entranced Livio Barbossa, created this Masterpiece, as a gift to Rt. Rev. Jennifer and to Our Church and Ministry.

In consideration of This Painting's startling revelation and the many inherent, hidden mysteries, it is not only a Gift to Us, but a Gift to the World!

Da Vinci painted Jesus with Mary Magdalene, pregnant with child and said to us: "You will forever find hidden-gifts in this painting!"

We are honoured and privileged to own and house this unique, genuine and authentic masterpiece and to continue the Teachings of this Divine Sacred Couple!

This photograph was taken at our Church, on Sunday 26th March, 2017, having been unveiled during Our Sunday Service!
